Chapter One Analysis of China's Aquaculture Industry and Key Enterprises

1 Analysis of Development of China's Aquaculture Industry

1.1 Change of Chinese Aquatic Products Output

1.1.1 Change of Culture Output and Fishing Output of Aquatic Products in China

1.1.2 Output Change of Freshwater-cultured Aquatic Products and Seawater-cultured Aquatic Products

1.2 Output Change and Regional Distribution of Artificial Cultured Aquatic Products in China

1.2.1 Output Change of Main Species of Artificial Cultured Aquatic Products

1.2.1.1 Output Change of Main Species of Freshwater-cultured Aquatic Products

1.2.1.2 Output Change of Main Species of Seawater-cultured Aquatic Products

1.2.2 Regional Distribution of Artificial Cultured Aquatic Products in China

1.3 Output Change and Regional Distribution of Fish Farming in China

1.3.1 Output Change and Regional Distribution of Fish Farming in China

1.3.1.1 Output Change of Freshwater-cultured Fish and Seawater-cultured Fish in China

1.3.1.2 Regional Distribution and Output of Fish Farming by Provinces in China

1.3.2 Main Species of Fish Farming in China

1.3.2.1 Species of Freshwater Fishes

1.3.2.2 Species of Marine Fishes

1.3.3 Output Change and Regional Distribution of High-end Fish Farming

1.3.3.1 Output Change and Regional Distribution of Tilapia Mossambica Farming

1.3.3.2 Output Change and Regional Distribution of Eel Farming

1.3.3.3 Output Change and Regional Distribution of Pseudosciaena Crocea Farming

ing

1.4 Output Change and Regional Distribution of Shrimp Culture in China

1.4.1 Output Change of Freshwater-cultured Shrimp and Seawater-cultured Shrimp in China

1.4.2 Regional Distribution and Output of Shrimp Culture by Provinces in China

1.4.3 Main Species of Shrimp Culture in China

1.4.4 Output Change and Regional Distribution of *Penaeus Vannamei* Boone

2 Analysis of Processing, Trade and Consumption of Aquatic Products in China

2.1 Aquatic Products Processing in China

2.1.1 Characteristics of Aquatic Products Processing Industry

2.1.1.1 More and More Aquatic Products Processing Enterprises, Rapid Growth of Processing Capacity and Total Output

2.1.1.2 Frozen Products Still Are the Most Important Part of Aquatic Products.

2.1.2 Distribution of Aquatic Products Processing Enterprises

2.2 Import and Export Situation of Aquatic Products in China

2.2.1 Import Volume of Aquatic Products

2.2.2 Source Countries of Imported Aquatic Products

2.2.3 Importing Provinces of Aquatic Products

2.2.4 Top 10 Aquatic Products Importing Enterprise

2.3 Analysis of Aquatic Products Export in China

2.3.1 Aquatic Products Export Ranks First among Primary Agricultural Products Export

2.3.2 Main Forms of Aquatic Products Export Trade

2.3.3 Main Species of Aquatic Products Export

2.3.4 Main Destinations of Aquatic Products Export

2.3.5 Main Exporting Provinces of Aquatic Products

2.3.6 Main Exporting Enterprise of Aquatic Products

2.4 Aquatic Products Consumption in China

2.4.1 Per Capita Consumption of Aquatic Products of Rural and Urban Residents and Development Trend

2.4.2 Analysis of Influential Factors of Aquatic Products Consumption

3 Analysis of Key Enterprises of Aquaculture and Processing Trade

3.1 Dalian Keybridge Marine Seeds Co., Ltd.

3.1.1 Basic Information

3.1.2 Main Business

3.1.3 Analysis of Operation Situation

3.2 Zhanjiang Guolian Aquatic Products Co., Ltd.

3.2.1 Basic Information

3.2.2 Main Business

3.2.3 Analysis of Operation Situation

3.3 Shandong Homey Aquatic Development Co., Ltd.

3.3.1 Basic Information

3.3.2 Main Business

3.3.3 Analysis of Operation Situation

3.4 Dahu Aquaculture Company Limited

3.4.1 Basic Information

3.4.2 Main Products

3.4.3 Analysis of Operation Situation

3.5 Shandong Oriental Ocean Sci-tech Co., Ltd.

3.5.1 Basic Information

3.5.2 Main Business

3.5.3 Analysis of Operation Situation

3.6 Zhangzidao Group Co., Ltd.

3.6.1 Basic Information

3.6.2 Main Products

3.6.3 Analysis of Operation Situation

3.7 Shandong Huiyang Group

3.7.1 Basic Information

3.7.2 Main Products

3.7.3 Analysis of Operation Situation

3.8 Xunshan Group

3.8.1 Basic Information

3.8.2 Main Products

3.8.3 Analysis of Operation Situation

3.9 Weihai Yuwang Group Co., Ltd.

3.9.1 Basic Information

3.9.2 Main Products

3.9.3 Analysis of Operation Situation

3.10 Dalian Xinyulin Ocean Treasures Co., Ltd.

3.10.1 Basic Information

3.10.2 Main Products

3.10.3 Analysis of Operation Situation

Chapter Two Analysis of China's Aquatic Feed Industry and Key Enterprises

4 Analysis of Aquatic Feed Industry in China

4.1 Change of Aquatic Feed Output

4.1.1 Fast Growth of Aquatic Feed Output

4.1.2 Aquatic Compound Feed

4.2 Aquatic Feed Production by Provinces

4.3 Analysis of Characteristics of Aquatic Feed Industry

4.3.1 More and More Varieties of Aquatic Feed

4.3.2 Rapid Development of Aquatic Extruded Feed

4.3.3 Feed for Freshwater Fish

4.4 Analysis of Characteristics of Aquatic Feed Enterprises in China

4.4.1 Number of Aquatic Feed Enterprises and Distribution Characteristics

4.4.2 Aquatic Feed Becomes New Growth Point of Aquatic Feed Enterprises Development

5 Analysis of Key Aquatic Feed Enterprises in China

5.1 Guangdong Evergreen Feed Industry Co., Ltd.

- 5.1.1 Basic Information
- 5.1.2 Main Business
- 5.1.3 Sales Analysis by Product

5.2 Guangdong Yuehai Feed Group Co., Ltd.

- 5.2.1 Basic Information
- 5.2.2 Main Business
- 5.2.3 Sales Analysis by Product

5.3 Guangdong Haida Group Co., Ltd.

- 5.3.1 Basic Information
- 5.3.2 Main Business
- 5.3.3 Sales Analysis by Product

5.4 Tongwei Co., Ltd.

- 5.4.1 Basic Information
- 5.4.2 Main Business
- 5.4.3 Sales Analysis by Product

5.5 New Hope Liuhe Group

- 5.5.1 Basic Information
- 5.5.2 Main Business
- 5.5.3 Sales Analysis by Product

5.6 Alpha Feed Group

- 5.6.1 Basic Information
- 5.6.2 Main Business
- 5.6.3 Sales Analysis by Product

5.7 Fujian Tianma Technology Group Co., Ltd.

- 5.7.1 Basic Information

5.7.2 Main Business

5.7.3 Sales Analysis by Product

5.8 Nanbao Feed Co., Ltd.

5.8.1 Basic Information

5.8.2 Main Business

5.8.3 Sales Analysis by Product

5.9 CP Group

5.9.1 Basic Information

5.9.2 Main Business

5.9.3 Sales Analysis by Product

5.10 Agribrands Purina Feedmill Co., Ltd.

5.10.1 Basic Information

5.10.2 Main Business

5.10.3 Sales Analysis by Product

6 Forecast on the Development Prospect of Aquaculture Industry and Feed Industry

6.1 Forecast on the Development of Aquaculture Industry

6.1.1 Analysis of Aquaculture Prospect of Main Species

6.1.2 Advantaged Regions of Aquaculture

6.1.3 Forecast on Aquaculture Output

6.1.4 Forecast on Consumption Trend of Aquatic Products

6.1.5 Forecast on Trade Trend of Aquatic Products

6.2 Forecast on the Development of Aquatic Feed Industry

6.2.1 Development Tendency of Aquatic Feed Processing Technology

6.2.2 Analysis of Business Model of Aquatic Feed Enterprises

6.2.3 Aquatic Feed Output Prediction
